Mr Leigh Sheridan and Mrs Leonie Sheridan of 30 Jeffreys Street attended the meeting to ask if Council knew if the sound proofing on the railway tracks in Kirribilli had been removed on the south bound track between the railway station and pylon. The track going north remains quiet. The noise affects houses; people having picnics in Bradfield Park etc. They stated that they have written to the Minister for Transport with no reply and are seeking help from Council. They have said it is loud from their residence and that something needs to be done about the sound.

Action: Council's Projects Manager to ask the Mayor to write a letter to the Minister. Council's Projects Manager suggested that Mr & Mrs Sheridan could get a petition and send it to the Minister for Transport which could help.
