

Summary of Actions Arising (SOA) 2019 - Bay Precinct

This document is North Sydney Council's response to actions arising from Precinct Committee Minutes. On receipt of the minutes, actions are numbered and allocated to relevant Council Officers for response. To effectively manage and provide clarity, all actions are allocated a status when reporting to Precinct Committees in response to their minutes. There are three categories:

- **Awaiting Response** - action allotted to Council Officer - response awaited.
- **Open/Ongoing** - action allocated to Council Officer, initial response provided. Matter ongoing and further response/update to be provided at later date.
- **Closed for Council** - Council either completed related works/tasks or has taken all reasonable steps within its power to resolve issue (for example when matter is beyond its jurisdiction). If the Precinct Committee feels Council can take further steps, they can request Council reopen action.

Questions or concerns re content of this document should be directed to precincts@northsydney.nsw.gov.au.

November		Election of Office Bearers	Noted by Council's Community Engagement Coordinator with request to return Precinct Office Bearers contact details form.	Closed for Council
August	GB	NO requested BP write to Council asking that every household should be given 2 free trees to plant. Agreed.	Council's Bushland Management Coordinator has advised that given the proportion of multi-unit-dwellings in NSC this proposal would be difficult to target effectively. Also, the Bushland team already coordinates a program called "Native Havens" in which we offer up to 50x free native plants to residents wishing to create a native habitat garden. Where the location is appropriate, native trees and tall, long-lived shrubs form part of this plant supply. The program is actively promoted through the Bushcare Newsletter; North Sydney News; Council's Website; NS produce market stalls and the Bushcare calendar of workshops and events, which features an "Open Garden Tour" of existing Native Havens each spring as well as the Bushcare Nursery Open Day in July. We are always looking for ways to increase community awareness of Native Havens.	Closed for Council
