

Cremorne Point Precinct Committee
Wednesday 15 March 2023 - 6pm-8pm
Sydney Amateur Sailing Club

Attendees: (per the Attendance Sheet submitted to North Sydney Council)

Apologies: TP, DE, RE,

In attendance: JG, Manager Corporate Planning & Engagement (North Sydney Council), AA, Administrative Support Officer (North Sydney Council)

Reactivating the Precinct Committee

The Precinct Committee has been dormant for some time. North Sydney Council staff attended the meeting, giving an overview of the benefits of Precinct Committees, what's involved in running a committee (office bearer duties) and the relationship with Council. For more information visit <https://www.northsydney.nsw.gov.au/precinct-committees>

The purpose of the meeting was to determine the community sentiment regarding keeping the Precinct Committee active, and to seek expressions of interest for volunteer office bearers.

The following people were nominated as interim office bearers to re-establish the Cremorne Point Precinct Committee: JC, IC, ME, HH and SC

Guest Speaker: Fiona Gracie, Cremorne Conservation Group

For more information visit <https://www.facebook.com/CremorneConservationGroup>

General Business - Actions Arising:

1. **Hodgson Ave/Karela Rd/Iredale Ln** - dangerous four-way intersection. The silent cop was removed a long time ago. Creates parking hazards. Can the parking signage be moved by three cars.
2. **Cremorne Point Reserve** - there are three seats/park benches that need repainting on the Sydney Harbourside of Cremorne Point Reserve
3. **Lighting** - Advise feasibility of additional lighting, there are dark points on Cremorne Point
4. **Hunts Lookout (Cremorne Reserve) Footbridge Repairs** - when will the works be complete reinstating pedestrian access between Cremorne Point and Mosman Bay

Council will provide a response to the actions arising - via the Summary of Actions that will be made publicly available at <https://www.northsydney.nsw.gov.au/homepage/108/cremorne-point-precinct>

Next Meeting: date to be confirmed
