

Quarterly Meeting of the Cremorne Point Precinct

Tuesday 21st November 2023. 6.00pm-8.00pm,

Sydney Amateur Sailing Club

1. Welcome and Sign-in from 6.00pm.
2. Update on Cremorne Point Precinct formation (Ione Churcher, Jonathan Chadwick)
3. Discussion on key local issues (following)

Date	Item	Matter	Council Response	Action
21/11/23	1	<p>Soft Plastics Recycling Program.</p> <p>In partnership with Curby, Mosman Council is doing 12-month trial allows recycling plastic bags, food wrappers via a provided tag, and the yellow recycling bin.</p> <p>Curby processes materials into fence posts for farms on the NSW mid-north coast.</p> <p>Up to 3,000 Mosman residents can join via the Curby app at curbyit.com/softplastics.</p> <p>Can we replicate this initiative in North Sydney council for community and environmental benefit?</p>		
21/11/23	2	<p>Preparing for NYE</p> <p>The CP Precinct expressed appreciation for council's efforts on rubbish and alcohol management during NYE celebration. Past observations note plastic bottles reaching the harbour.</p> <p>Is it possible to distribute bins along the foreshore to prevent litter from entering the harbor during celebrations?</p>		
21/11/23	3	<p>Picnic commercial operators and late night noise</p> <p>From MacCallum Pool towards the point, a popular picnic area, two recent issues have been observed: 1) Commercial picnic operators, 2) Late-night excessive noise.</p> <p>Seeking council support to address noise concerns and review compliance of any commercial businesses in the area.</p>		

21/11/23	4	<p>Cyclists have been observed on reserve pathways.</p> <p>Requesting clear signage prohibiting cyclists from using reserve pathways.</p>		
21/11/23	5	<p>Pipe Leakage on SW side of reserve</p> <p>Inquiring about updates regarding the reported sewer leakage causing slippery spots along the southwest side of the reserve.</p>		
21/11/23	6	<p>Roof of Ferry terminal</p> <p>Does council have any input or updates regarding the roof of the ferry terminal?</p>		
21/11/23	7	<p>Pathway wear and tear</p> <p>Requesting repairs for path holes from Green St to Hunts Lookout, marked with pink paint to highlight the problem</p>		
21/11/23	8	<p>Traffic hazards</p> <p>Seeking adjustment of signage along Hodgson Avenue to Murdoch to alleviate road pinch points caused by cars parking at road elbow.</p> <p>Motorists have been observed driving at speed from the Ferry terminal up Milson Road. Does council have any guidance on how to mitigate speeding? Are speed bumps an option?</p>		

		<p>Requesting signage along Milson Road to indicate the parking containment area and prevent pedestrians from entering for safety reasons due to frequent use by runners and passersby.</p>		
21/11/23	9	<p>Lighting</p> <p>The lighting from Old Cremorne Ferry Terminal to Kareela is inadequate and dimly lit at night.</p> <p>Is it possible to improve lighting in this area?</p>		
21/11/23	10	<p>49 Kareela Rd</p> <p>Wire fencing along the sandstone wall on the reserve side is encroaching on the pathway.</p> <p>Can it be repositioned closer to the wall or substituted with a more compact structure?</p>		
21/11/23	11	<p>Abandoned van on private property at 120 Milson Road</p> <p>Requesting council assistance in removing an abandoned van on private property at 120 Milson Road, which has been present for at least six years, as per Google Street View. The vehicle is now attracting vermin</p>
