## Grafton St Footpath Works

Dear Resident,

Shamrock Developments International Pty Ltd has been contracted to carry out works for Council. Details are provided below.

- Street Grafton St, Neutral Bay
- Location near Lambert Av (refer overleaf)
- Start Date Tuesday 14 May 2024
- Working Hours Mon-Fri 7am to 5pm, Sat 8am-2pm
- Duration 1.5 weeks (Weather Permitting)

The work will involve the reconstruction of the footpath in front of various trees where the roots have uplifted the pavement. As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).

Yours faithfully,

NORTH SYDNEY COUNCIL

- Working Hours Mon-Fri 7am to 5pm, Sat 8am-2pm
- Duration 1.5 weeks (Weather Permitting)

The work will involve the reconstruction of the footpath in front of various trees where the roots have uplifted the pavement. As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

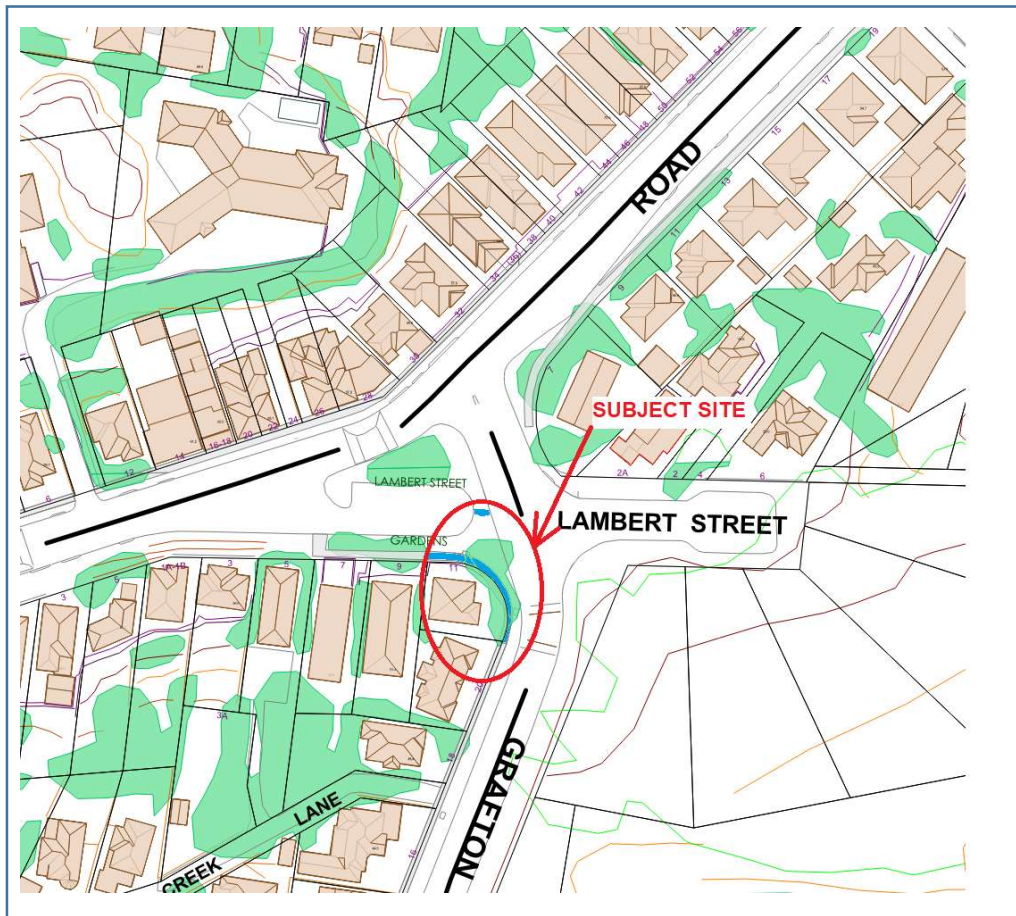

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).

As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

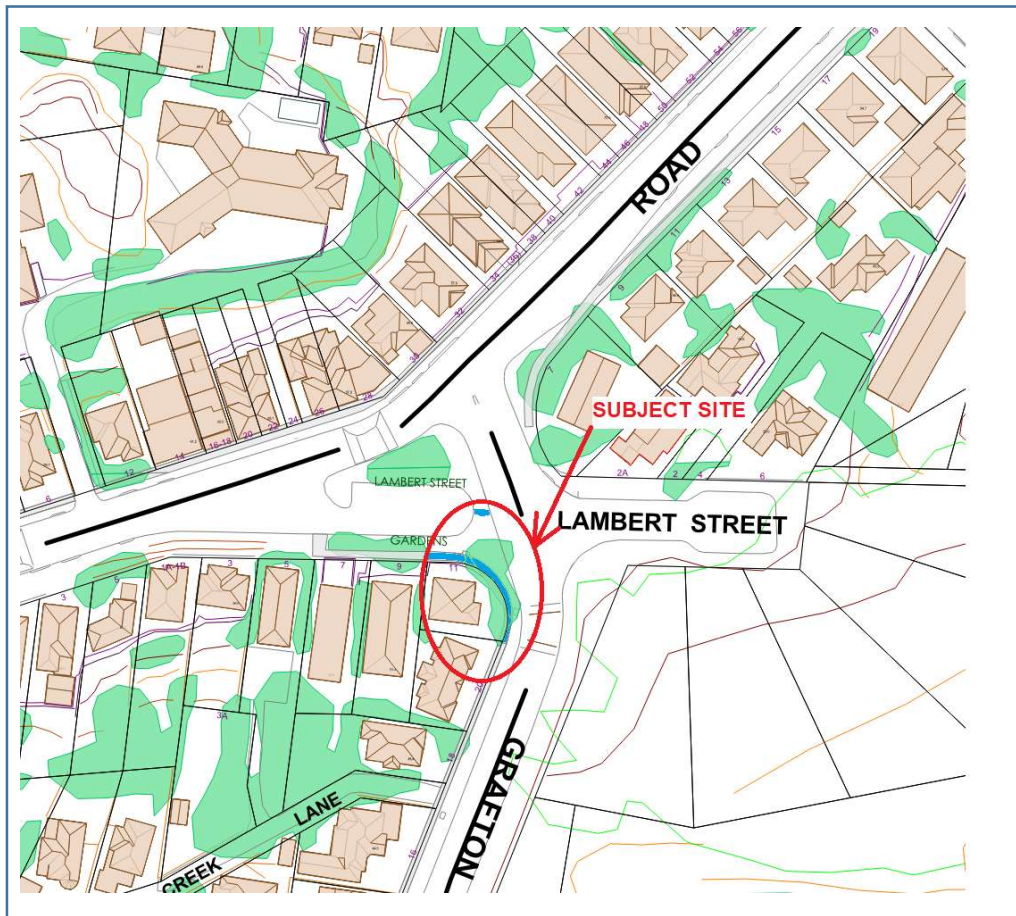

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

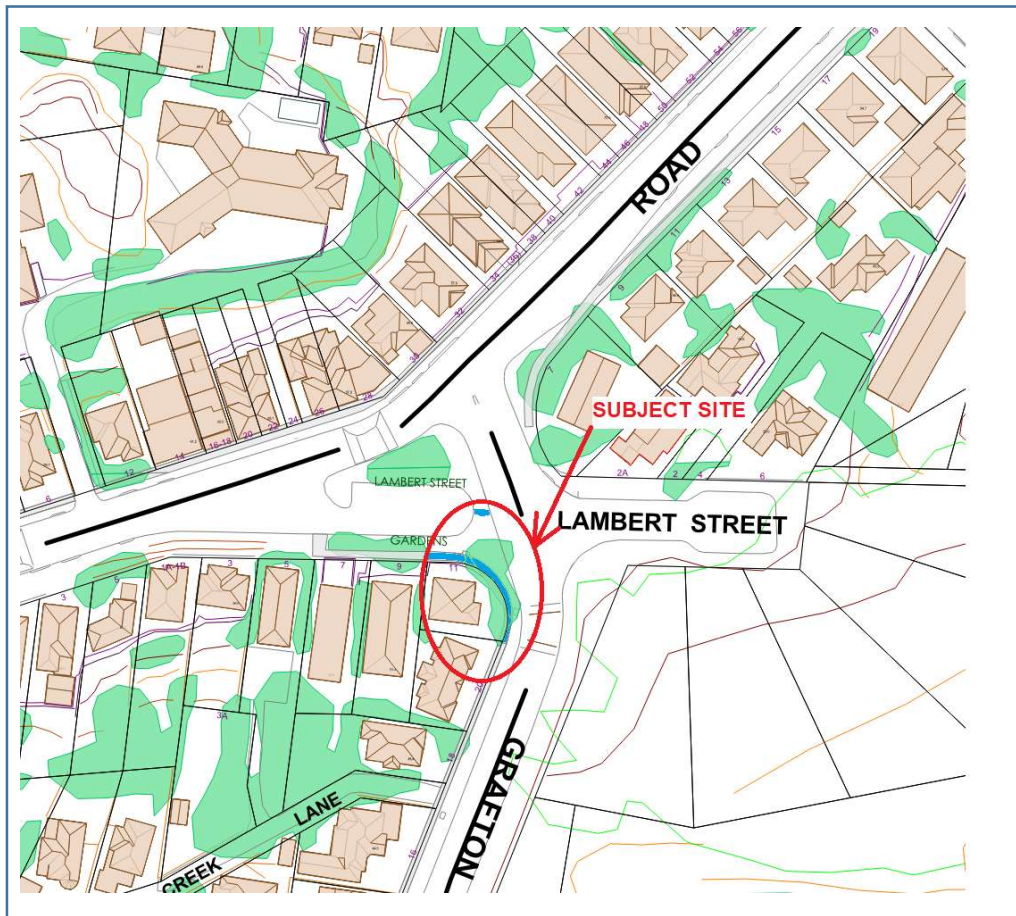

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).

## Grafton St Footpath Works

Dear Resident,

Shamrock Developments International Pty Ltd has been contracted to carry out works for Council. Details are provided below.

- Street Grafton St, Neutral Bay
- Location near Lambert Av (refer overleaf)
- Start Date Tuesday 14 May 2024
- Working Hours Mon-Fri 7am to 5pm, Sat 8am-2pm
- Duration 1.5 weeks (Weather Permitting)

The work will involve the reconstruction of the footpath in front of various trees where the roots have uplifted the pavement. As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. ## Grafton St Footpath Works

Dear Resident,

Shamrock Developments International Pty Ltd has been contracted to carry out works for Council. Details are provided below.

- Street Grafton St, Neutral Bay
- Location near Lambert Av (refer overleaf)
- Start Date Tuesday 14 May 2024
- Working Hours Mon-Fri 7am to 5pm, Sat 8am-2pm
- Duration 1.5 weeks (Weather Permitting)

The work will involve the reconstruction of the footpath in front of various trees where the roots have uplifted the pavement. As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).

## Grafton St Footpath Works

Dear Resident,

Shamrock Developments International Pty Ltd has been contracted to carry out works for Council. Details are provided below.

- Street Grafton St, Neutral Bay
- Location near Lambert Av (refer overleaf)
- Start Date Tuesday 14 May 2024
- Working Hours Mon-Fri 7am to 5pm, Sat 8am-2pm
- Duration 1.5 weeks (Weather Permitting)

The work will involve the reconstruction of the footpath in front of various trees where the roots have uplifted the pavement. As a trial, fibre reinforced plastic micromesh (FRP) will be installed over the root zones. FRP is considered to be slip resistant and heel proof, and is widely used in various applications in Australia (refer to enclosed sample applications in North Sydney local government area).

Parking within the vicinity of the work site will be unavailable during the works. Residents are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on the above commencement date and no vehicles be parked in this area during the works without the contractor's permission. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihi, on 0421 020 129 or [ashraf.doureihi@northsydney.nsw.gov.au](mailto:ashraf.doureihi@northsydney.nsw.gov.au).
