He encouraged residents to comment on other aspects of North Sydney's future including, Culture and Creativity, Economic Development, Integrated Transport, Open Space and Recreation.

4. Young St Plaza Proposal and Grosvenor Lane

Following discussion, the following motions was proposed by GD:

- I. Parks Precinct supports the proposed upgrade of Young St Plaza on the basis that the left turn only between Grosvenor Lane and Young St is maintained in the proposal and enforced to the extent that physical barriers such as bollards are installed to prevent any circumvention of the Left turn only.

The motion was seconded by ES and carried unanimously.

- II. Parks Precinct urge the North Sydney Council to use funds allocated to the Young St Plaza upgrade to modify the Grosvenor Lane pedestrian shared zone to minimise the comingling of pedestrians and vehicles. For the avoidance of doubt this means:
  - a. removing the choke points that funnel pedestrians into the path of vehicles
  - b. Redesigning the lane to ensure it is both wheelchair and pram accessible

- c. Installing a pedestrian crosswalk on the footpath at the intersection of Young St and Grosvenor Lane.

The motion was seconded by ES and carried unanimously.

Chair will note Precinct comments on Your Say.

Residents are encouraged to comment individually. The proposal is open for comment on the North Sydney Council website until 12<sup>th</sup> June
