

Date: 6 November 2024

Little Spring St Road Reconstruction Weekend Works (final stage)

Dear Resident/Business Owner,

Council has engaged Shamrock Developments International to undertake road works in Little Spring St – these works mark the final stage of the laneway upgrade. Details are provided below.

- Street Little Spring St, North Sydney
- Location between Berry St and Spring St (refer overleaf)
- Date Saturday 9 November 2024
Saturday 16 November 2024
Sunday 17 November 2024
- Working Hours 7am-5pm

The work will involve the restoration of various areas of the concrete roadway impacted by development works in the CBD over the past several years. The nature of the works will be noisy as it involves jack hammering and saw-cutting of concrete.

Little Spring St will be closed during the works between 7am to 5pm and will reopen each day outside these times.

Parking within the vicinity of the work site will be unavailable during the works. Residents/Business Owners are requested to move all vehicles from the area indicated by barricades and special work zone signs by 6am on Friday 8 November 2024. No vehicles shall be permitted to park in this area during the works. Failure to comply with this request will only delay the completion of the works and prolong the loss of parking spaces.

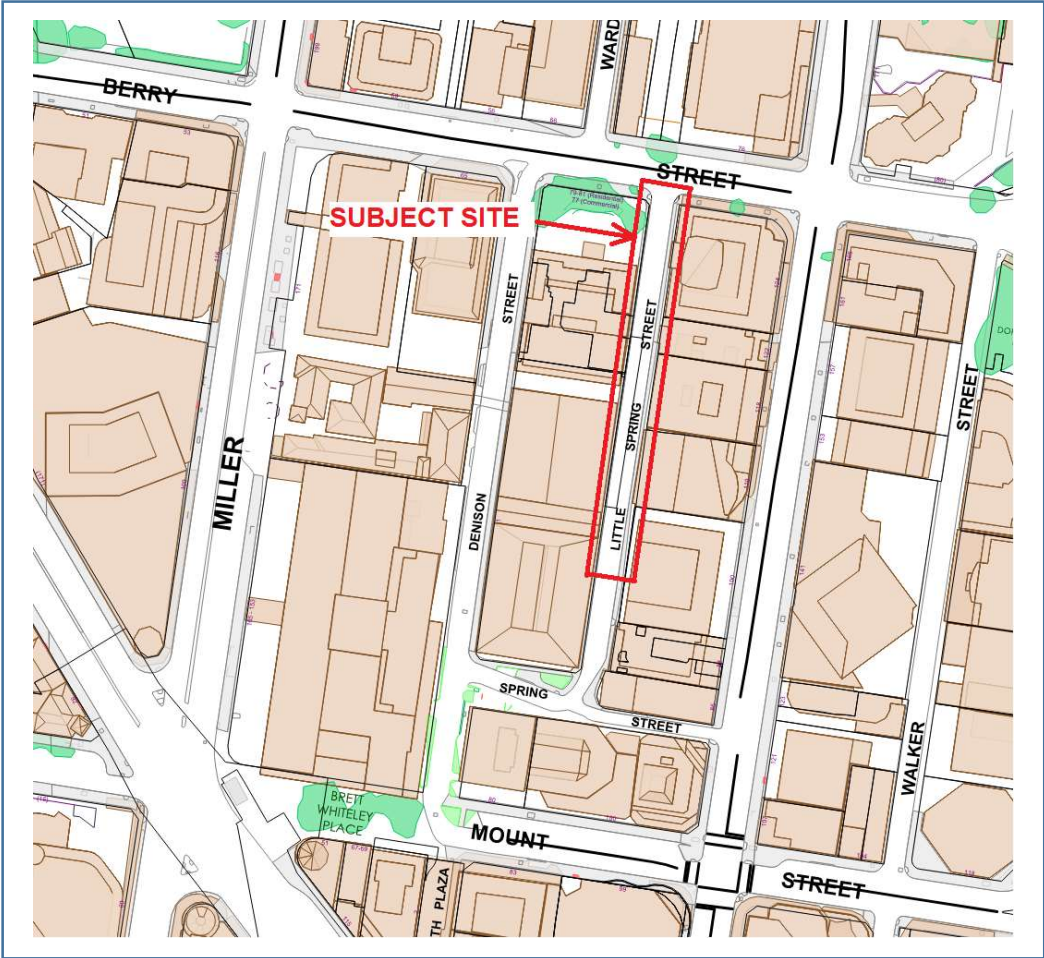

All effort will be made to minimise disruption and complete the works as quickly and safely as possible. Council appreciates your cooperation and patience.

If you require further information, please do not hesitate to contact Shamrock Developments International on 0430 592 240. Alternatively, you can contact Council's Engineering Project Manager, Ashraf Doureihy, on 0421 020 129 or ashraf.doureihy@northsydney.nsw.gov.au.

Yours faithfully,

NORTH SYDNEY COUNCIL
