

The Coal Loader Centre for Sustainability School Excursion Program

Full day, fully facilitated, curriculum linked school excursions for Stages 2-3 Science and Geography

Students can undertake a full day's excursion on site at the unique Coal Loader – a heritage listed, ex-industrial site that is now a state of the art sustainability centre, set in the harbourside greenery of Balls Head.

Students will engage in fun, fully facilitated hands-on learning activities around the site, led by DoE teachers and curriculum linked to one of the following topics:

- Stage 2 Geography:**
The Earth's Environment
- Stage 2 Science and Technology:**
Living World
- Stage 3 Geography:**
Factors that Shape Places
- Stage 3 Science and Technology:**
Physical World

Cost: Free for North Sydney schools
\$15 per student for students outside the North Sydney LGA
