

Summary of Actions Arising (SOA) 2021 - Hayberry Precinct

This document is North Sydney Council's response to actions arising from Precinct Committee Minutes. On receipt of the minutes, actions are numbered and allocated to relevant Council Officers for response.

To effectively manage and provide clarity, all actions are allocated a status when reporting to Precinct Committees in response to their minutes. There are three categories:

- **Awaiting Response** - action allotted to Council Officer - response awaited.
- **Open/Ongoing** - action allocated to Council Officer, initial response provided. Matter ongoing and further response/update to be provided at later date.
- **Closed for Council** - Council either completed related works/tasks or has taken all reasonable steps within its power to resolve issue (for example when matter is beyond its jurisdiction). If the Precinct Committee feels Council can take further steps, they can request council reopen action.

| Month | Item | Actions | Council's Reply | Status |
|----------|------|---|--|--------------------|
| April | 5iii | 220 Pacific Highway - who was a late apology for the meeting, had asked for this item to be included on the agenda to raise concerns regarding after hours plant and equipment noise from the tower block at 220 Pacific Highway opposite North Sydney Girls High School. DM advised that this had been an intermittent problem for residents in that area. The problem would be addressed for a period but would subsequently re-emerge. DM reported that he had raised the issue with the Building Maintenance Compliance team at Council and that they were following u | Council's Manager Environmental & Building Compliance has advised that the Precinct Committee's concern is noted. An environmental health investigation is ongoing with noise readings due to be taken, weather permitting. Residents can contact Council's Team Leader Environmental Health for more details. | Closed for Council |
| February | 5 | Changing Stations for Electric Vehicles - That the Hayberry Precinct request an update on North Sydney Council's plans to install e-vehicle charging stations in our streets. | Council's Manager Parking Stations has advised that Council currently does not have any plans to install additional chargers in public parking stations or carparks. Council also does not currently intend to become a retailer of energy or provider of public charging facilities, other | Closed for Council |

| | | | <p>than those already operating within the public parking stations.</p> <p>Should demand increase beyond a level able to be provided by current chargers, Council may explore future potential for additional chargers within Council's own parking stations or car parks. It is more likely that this potential future demand would be met by specialist charging providers, not necessarily by Council itself.</p> <p>Council's Manager Traffic & Transport Operations has advised that Council does not have current plans to install on-street EV chargers. It is likely that an EV strategy will be developed in the future to provide analysis of this emerging trend and if Council intends to pursue on-street EV charging.</p> | |
