Other Business

- Lavender Bay seawall works are underway, with habitat tiles included to improve the aquatic environment.
- Blues Point Reserve is continuing to be abused and damaged by users, with litter and vandalism.
- Re the Harbour Bridge bike ramp, attendees were encouraged to make individual submissions.
- A request was made for Council to recommence advertisements in the Mosman Daily, so that local residents could be better informed of developments.
- It was proposed that better promotion of the precinct meetings should be undertaken, as people were likely unaware of the meetings and hence attendances are low.

Precinct elections

- Attendees heard that Council was unable to support a February face-to-face meeting. Hence, the March meeting was expected to be the AGM, with elections for office bearers to occur at that time.

The meeting closed at 8:25pm
