PURPOSE:

This report is to provide Council with an analysis and recommendation of the tender process for Tender 9/2022 for Stormwater Drainage Relining Works.

EXECUTIVE SUMMARY:

Tenders were called and were received until 3pm 27 September 2022 for the submission of tenders to undertake Stormwater Drainage Relining Works.

If the Council wishes to discuss the report, the meeting should be closed to the public to do so, in accordance with:

- *s10A(2) (c) information that would, if disclosed, confer a commercial advantage on a person with whom the Council is conducting (or proposes to conduct) business and because consideration of the matter in open Council would be, on balance, contrary to the public interest as it would affect Council's ability to obtain value for money services.*
- *S10A(2) (d)(i) commercial information of a confidential nature that would, if disclosed prejudice the commercial position of the person who supplied it and because consideration of the matter would, on balance be contrary to the public interest as publication of all tendered amounts would discourage potential tenderers from submitting commercial information in future and would affect Council's ability to obtain value for money services.*

FINANCIAL IMPLICATIONS:

Funding for the project was included in the 2022/23 budget for drainage construction works. Refer to the funding description section of this report.

RECOMMENDATION:

1. THAT Council accept the tender of the highest ranked Tenderer for Tender 9/2022 for Stormwater Drainage Relining Works.

2. THAT the General Manager be authorised to take any necessary action to implement the decision including entering associated contracts.

3. THAT, once Council has executed the Contract, information relating to the successful tender be published in Council's Register of Contracts as required by Government Information (Public Access) Act 2009 - Part 3 Division 5 - Government Contracts With Private Sector.

4. THAT Council resolves that the identified attachment to this report is to be treated as confidential in accordance with section 11(3) of the Local Government Act for the following reason under section 10A(2) of the Local Government Act:

(c) information that would, if disclosed, confer a commercial advantage on a person with whom the Council is conducting (or proposes to conduct) business

(d) commercial information of a confidential nature that would, if disclosed

(i) prejudice the commercial position of the person who supplied it

It is further noted that release of this information would, on balance be contrary to the public interest as publication of all tendered amounts would discourage potential tenderers from submitting commercial information in future and would affect Council's ability to obtain value for money services.
