------------------	--

Determination of Development Application:	Subject to the provisions of Section 4.17 of <i>the Environmental Planning and Assessment Act 1979</i> , approval has been granted subject to conditions in the notice of determination.
--	--

Date of Determination:	22 November 2022
-------------------------------	------------------

Reasons for Approval	In general, the subject strata subdivision is considered acceptable against the relevant provisions within Section 4.15 of the Environmental Planning and Assessment Act 1979, North Sydney Local Environmental Plan 2013 and North Sydney Development Control Plan 2013. As such, the development application is recommended for approval subject to appropriate conditions.
-----------------------------	---

Consent to operate from:	22 November 2022
---------------------------------	------------------

Consent will lapse on:	22 November 2027
-------------------------------	------------------

Period of Consent

Subject to Section 4.20 of the Act, this consent becomes effective and operates from the date listed above. The consent lapses five years after the date of consent in accordance with Section 4.53 of the Act and cannot be extended. To activate this consent, works must physically commence onsite 22 November 2027.

How community views were taken into account:

In accordance with Notifications Section of NSDCP 2013, given the minor nature of the application with no physical works, notification was not considered necessary. As such, no submissions were received at Council regarding the proposed strata subdivision.

Review of determination and right of appeal:

Within six months after the date of notification of the decision, a review of this determination can be requested under Division 8.2 of the Act or an appeal to the Land and Environment Court made pursuant to the provisions of Section 8.7 of the Act. A review of determination should be lodged as soon as possible, and preferably no later two months after the date of notification of the decision to enable the review to be completed within the six-month period.

Plans endorsed by the consent authority - please refer to condition A1.

A. Conditions that Identify Approved Plans

Development in Accordance with Plans/Documentation

- A1. The development must be carried out in accordance with the following drawings and documentation and endorsed with Council's approval stamp, except where amended by the following conditions of this consent.

Plan No.	Rev	Description	Prepared by	Dated
2834 SP-R0 Sheet 1 of 2	-	Plan of Strata Subdivision of Lot 17 and Common Property in SP83820	Jonathan Charles Keen	18/05/2021
2834 SP-R0 Sheet 2 of 2	-	Plan of Strata Subdivision of Lot 17 and Common Property in SP83820	Jonathan Charles Keen	18/05/2021

(Reason: To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information)

K. Prior to the Issue of any Strata Certificate

Strata Subdivision

- K1. A Strata Certificate pursuant to the *Strata Schemes (Freehold Development) Act 1973*, that authorises registration of the strata plan, strata plan of subdivision or notice of conversion at NSW Land and Property Information Office must be obtained. If the Strata Certificate is obtained from an Accredited Certifier, other than the Council, the certifier is to provide Council with a copy of the endorsed Strata Certificate within seven (7) days of issuing the same, pursuant to the *Strata Schemes (Freehold Development) Regulation 2002*.

Notes: For approval of the Strata Certificate by North Sydney Council, the following must be submitted to Council:

- a) the original strata plans or strata plans of subdivision and administration sheets plus two (2) copies of each, and any original Instrument (including but not limited to any section 88B or 88E instruments) to be endorsed, all **enclosed in a protective cardboard tube** (to prevent damage during transfer);
- b) two additional copies of the strata plans or strata plans of subdivision and any relevant Instrument for submission to Council Customer Services and records department for electronic database scanning and copying;
- c) a completed *Subdivision or Strata Certificate Application* form together with payment of fee current at lodgement;
- d) written evidence that all applicable conditions of consent required to be satisfied, prior to issue of the Strata Certificate, have been satisfied. Council will check the consent conditions on the relevant consent(s). Failure to submit the required information will delay endorsement of the Strata Certificate, and may require payment of rechecking fees;

- e) **plans of subdivision and copies must not be folded; and**
- f) **council will not accept bonds in lieu of completing subdivision works.**

(Reason: To ensure compliance with relevant legislative requirements and maintenance of up-to-date Council records)

Services within Lots

K2. A report must be provided by a Registered Surveyor certifying that all services (including but not limited to stormwater drainage, gas, electricity, telephone cable) as constructed or to be constructed are/will be contained within each lot or within the necessary easements to accommodate such services. The report must be submitted to the Certifying Authority for approval prior to the issue of any Subdivision Certificate.

(Reason: To ensure adequate servicing of the development)
