**A. Conditions that Identify Approved Plans**

**Development in Accordance with Plans/Documentation**

- A1. The development must be carried out in accordance with the following drawings and documentation and endorsed with Council's approval stamp, except where amended by the following conditions of this consent.

Title	Drawn by	Date
Strata Plan Administration Sheets 1 to 3	Johnathan Charles Keen, Registered Surveyor (Ref: 2822-SP)	Undated
Strata Plan Sheets 1 to 2	Johnathan Charles Keen, Registered Surveyor (Ref: 2822-SP)	Feb 2022

(Reason: To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information)

**Allocation and Use of Parking**

- A2. The parking spaces identified on the approved plans must be used solely for residential car parking in association with the approved residential use within the same Strata Plan.

(Reason: To ensure car parking spaces remains associated with the subject site)

**K. Prior to the Issue of any Strata Certificate**

**Strata Subdivision**

- K1. A Strata Certificate pursuant to the *Strata Schemes (Freehold Development) Act 1973*, that authorises registration of the strata plan, strata plan of subdivision or notice of conversion at NSW Land and Property Information Office must be obtained. If the Strata Certificate is obtained from an Accredited Certifier, other than the Council, the certifier is to provide Council with a copy of the endorsed Strata Certificate within seven (7) days of issuing the same, pursuant to the *Strata Schemes (Freehold Development) Regulation 2002*.

Notes: For approval of the Strata Certificate by North Sydney Council, the following must be submitted to Council:

- a) the original strata plans or strata plans of subdivision and administration sheets plus two (2) copies of each, and any original Instrument (including but not limited to any section 88B or 88E instruments) to be endorsed, all **enclosed in a protective cardboard tube** (to prevent damage during transfer);
- b) two additional copies of the strata plans or strata plans of subdivision and any relevant Instrument for submission to Council Customer Services and records department for electronic database scanning and copying;
- c) a completed *Subdivision or Strata Certificate Application* form together with payment of fee current at lodgement;

- d) written evidence that all applicable conditions of consent required to be satisfied, prior to issue of the Strata Certificate, have been satisfied. Council will check the consent conditions on the relevant consent(s). Failure to submit the required information will delay endorsement of the Strata Certificate, and may require payment of rechecking fees;
- e) **plans of subdivision and copies must not be folded; and**
- f) **council will not accept bonds in lieu of completing subdivision works.**

(Reason: To ensure compliance with relevant legislative requirements and maintenance of up-to-date Council records)

### **Sydney Water**

K2. A Section 73 Compliance Certificate under the Sydney Water Act 1994 must be obtained.

The Section 73 Certificate must be submitted to the Certifying Authority or North Sydney Council with the documentation to enable the issue of the Strata Certificate.

#### Notes:

1. Application must be made through an authorised Water Servicing Co-ordinator, for details see the Sydney Water web site [www.sydneywater.com.au](http://www.sydneywater.com.au) or telephone 13 20 92.
2. Following application, a 'Notice of Requirements' will be forwarded detailing water and sewer extensions to be built and charges to be paid. Please make early contact with the Coordinator since building of water/sewer extensions can be time consuming and may impact on other services and building, driveway or landscape design.

(Reason: To ensure compliance with Sydney Water requirements)

### **Allocation of Parking and Visitor Parking**

K3. Carparking provided must only be used in conjunction with the units contained within the development. Any carparking for strata lots for residential purposes must be individually allocated to a corresponding residential strata lot within the strata plan.

Carparking spaces provided must only be used in conjunction with the approved uses contained within the development.

In the case of Strata subdivision any carparking for strata lots for residential purposes must be individually allocated to its corresponding residential strata lot as part of each lot's unit entitlement.

(Reason: To ensure that adequate parking facilities to service the development are provided on site)

### **Building and Unit Numbering (Strata Subdivisions)**

K4. Prior to issue of the Strata Certificate, the person acting upon this consent must apply to North Sydney Council and receive written confirmation of the allocated street address and unit numbers for the building and the approved strata allotments within the completed project. These are the property addresses that will be recorded in Council records and must be displayed at the property in accordance with the provisions of the applicable Australian Standard (AS/NZS 4819:2011).

To assist Council, a draft proposal for numbering within the strata scheme or street should be submitted for concurrence to Council, as these numbers will be used to maintain Council's property and mapping database.

(Reason: To ensure that Council records are accurate, and that building and unit numbering complies with the requirements of Council's Property Addressing Policy. Proper building and unit numbering also assist emergency services in readily locating properties)

**Services within Lots**

K5. A report must be provided by a Registered Surveyor certifying that all services (including but not limited to stormwater drainage, gas, electricity, telephone cable) as constructed or to be constructed are/will be contained within each lot or within the necessary easements to accommodate such services. The report must be submitted to the Certifying Authority for approval prior to the issue of any Subdivision Certificate.

(Reason: To ensure adequate servicing of the development)
