8. Mayoral Minutes

8.1. Neutral Bay Town Centre Planning Study - establishment of a Community Consultation Group

On 21 February 2023, the Combined Precincts Committee resolved as follows:

Motion: That Council establish a formal body, to be modelled on Lane Cove Alive comprising community representatives to work in association with Council to drive the plan for Neutral Bay Village. Moved by MTJ (Willoughby Bay), Seconded by LS (Brightmore)

This call for the establishment of a community consultation group to augment Council's adopted community engagement strategy is timely. This month, Council commenced preliminary community engagement on the revised Neutral Bay Town Centre Study.

Part of the community concern and rejection of the previous Military Road Corridor Planning Study (repealed by Council on 24 January 2022) was that it did not properly address community concerns in relation to height, scale, and character of the Neutral Bay Town Centre.

It is vital that our community drive and embrace the future vision, strategy, and policy for the Neutral Bay Town Centre, and to inform any final adopted Study.

Lane Cove Council and Willoughby Council established similar groups for the revitalisation of the Lane Cove Centre (resulting in The Canopy) and Castle Crag (resulting in The Quadrant project) to great success and with strong community support.

I therefore recommend:

- 1. THAT** Council establish a community consultation group titled “Neutral Bay Alive” as part of the revised Neutral Bay Town Centre Planning Study, modelled on the “Lane Cove Alive” group set up by Lane Cove Council to inform the revitalisation of Lane Cove town centre.
- 2. THAT** Council notes that the community consultation group is not a decision-making group and the group will augment the adopted community engagement plan for the study.
- 3. THAT** Council call for Expressions of Interest for members and delegate selection of group members to the General Manager consistent with the process Council adopts for local planning panels.
- 4. THAT** Council note that the establishment of the group will be funded by the existing budget allocation for the Planning Study.

This item was moved forward as part of the Public Forum (see page 4).

The following people spoke on this item as part of the Public Forum:

- Meredith Trevallyn-Jones (Chair, Willoughby Bay Precinct)
- Glen Curyer (Co-Chair, Neutral Precinct)

THAT Council's resolution relating to Item 10.1, Young Street Plaza - Tender 34/2021 (item 4 only)

4. THAT Young Street be reopened and that the funding for the reopening be sourced from either the existing Transport for NSW funding which funded the temporary closure of Young Street in the first place or from the existing Engineering Budget.

Passed at the meeting of the Council held on 26 April 2022 be and is hereby rescinded.

Councillor Lepouris declared a pecuniary interest in the matter as he owns a cafe in Young Street and left the meeting at 7.00pm.

10.2. Investment and Loan Borrowings Report as at 28 February 2023

AUTHOR: Christian Menday, Manager Financial Services

This report provides details of the performance of Council's investment portfolio and borrowing limits for the period ending 28 February 2023.

Investment Portfolio

Independent advice regarding North Sydney Council's Investments is provided by Imperium Markets. This provides a layer of governance and expert advice in addition to Council's policy and procedures.

The Investment Portfolio (excluding cash balances) held for the period ending 28 February 2023 had a market value of \$141,400,165. The annualised returns were 2.61%.

Cash deposits at call were \$10,913,041, with \$7,200,000 of these held in interest bearing at-call accounts. \$3,713,041 cash is held in Council's interest-bearing transaction account with the Commonwealth Bank to meet day-to-day operational needs. This amount includes third instalment rates deposits that were due on 28 February 2023 and settled after close of business.

The investment portfolio is managed to ensure adequate liquidity to meet operational requirements, and to fund outflows on major projects. Cashflow is monitored and assessed on an on-going basis.

Actual year-to-date returns for cash and investments to 28 February 2023 are \$2,186,000, compared to a revised year-to-date budget of \$1,862,000.

The Reserve Bank of Australia (RBA) Board increased its cash rate by 25 basis points to 3.35%. The RBA continues to signal two or three more 25 basis point increases are likely in the coming months.

Borrowings

Loan Facility for Council Projects

Council entered into a fixed interest loan of \$9.5 million with quarterly interest and principal payments on 31 July 2018. The principal outstanding as at 28 February 2023 is \$5,691,792.

North Sydney Olympic Pool Redevelopment (NSOP)

In February 2022 Council established a \$31 million TCorp loan facility to partially fund the redevelopment of North Sydney Olympic Pool. Drawdown on the facility was processed on 28 April 2022, with an interest rate of 4.24%. The funds were restricted and will be released as required to fund cash outflows. The principal outstanding as at 28 February 2023 is \$30,499,987.

Council's total investment portfolio performance for the financial year to date is 2.61% annualised. The actual year to date returns for cash and investments to 28 February 2023 were \$2,186,000, compared to a revised year-to-date budget of \$1,862,000.

10.3. The Tree House and the Feasibility of Establishing a Significant Tree Register

AUTHOR: Jessica Karam, Urban Forest Officer

At its meeting of 14 November 2022, Council resolved:

THAT Council seeks a report on the Tree House including consideration of the feasibility of establishing a Significant Tree Register.

This report responds to the resolution of Council.

The organisational structure of the Tree House changed in late 2022 and now operates as the Urban Forest Team in the Parks and Reserves Department, within the Open Space and Environment Division. The team ensures the continuous management, maintenance, and protection of North Sydney's Urban Forest (both public and private trees), as well as the management and implementation of Council's tree protection strategies and policies.

In December 1994, a Significant Tree Register was published, listing all significant public and private trees with heritage criteria in North Sydney Local Government Area. This document is deemed historical and does not provide any further protection for the enlisted trees; rather, as per North Sydney Development Control Plan (2013) Section 16 - Tree and Vegetation Management Policy, all trees in the LGA are protected equally, regardless of their heritage criteria.

The establishment of a new Significant Tree register would therefore add no value.

There are no financial implications to this report.

RECOMMENDATION:

1. THAT Council receives the information that North Sydney's Urban Forest are all protected equally under the Tree and Vegetation Management Policy and that no separate Significant Tree Register is required.

The Motion was moved by Councillor Bourke and seconded by Councillor Beregi.

The Motion was put and **Carried**.

For/Against 10 / 0

99. RESOLVED:

1. THAT Council receives the information that North Sydney's Urban Forest are all protected equally under the Tree and Vegetation Management Policy and that no separate Significant Tree Register is required.

10.4. Memorial for Jim Saad

AUTHOR: Ian Hoskins, Council Historian

This report responds to Council's resolution of 13 February 2023 for a report detailing the creation of a memorial for Jim Saad.

Jim Saad worked as a shoe repairer and key cutter in a small shop in the Milsons Point Train Station tunnel for more than 50 years. When Mr Saad died in 2021, his business was probably the oldest in the area. There was an outpouring of respect and sympathy, with flowers and tributes placed at his shopfront. A Mayoral Minute in September 2021 suggested a memorial be installed in Mr Saad's honour.

Various options were considered over the following year without success. At its meeting of 13 February 2023, Council resolved as part of the Burton Street Plaza project:

THAT Council receive a report detailing future opportunities to incorporate public art within the project area, including a memorial to Jim Saad.

THAT Council promptly progresses the memorial bronze sculpture to the late Jim Saad as shown in the report.

\$50,000 has been allocated for this memorial from the Kirribilli & McMahons Point Village Centres 2022/23 budget.

RECOMMENDATION:

1. THAT the report be received

The Motion was moved by Councillor Beregi and seconded by Councillor Mutton.

The Motion was put and **Carried**.

For: Councillor Baker, Councillor Beregi, Councillor Bourke, Councillor Gibson, Councillor Lamb, Councillor Lepouris, Councillor Mutton, Councillor Santer, Councillor Spenceley and Councillor Welch

100. RESOLVED:

1. THAT the report be received.

10.5. Don Bank Museum - Conservation Management Plan 2023

AUTHOR: Ian Hoskins, Council Historian

This report details the submissions received during the public exhibition of the draft *Don Bank Museum Conservation Management Plan*. The final Plan is presented to Council for adoption.

As reported to Council on 12 December 2022, the Don Bank Museum is the oldest timber house in Sydney's north shore, and one of the best-preserved cottages of its type in NSW. It was bought by Council to ensure its preservation in 1979, restored, and opened as a museum in 1981. It was listed on the State Heritage Register in 1999.

A 10-year review of any Conservation Management Plan (CMP) is standard. This review also addressed two specific issues:

- The first was the need to better interpret laundry work at the house. The laundry structure in the courtyard had been demolished during restoration. Its absence meant that the original mangle (press) and various other items associated with the laundry have been 'displayed' along the back veranda - exposed to the elements, and without means of interpretation.
- The second issue was whether the shingle roof should be replaced with another covering of shingles to approximate the material used for the first 50 years of the dwelling's life, or corrugated iron as was used from 1893. The CMP favoured the former because shingles are now a recognised element of the Museum but allows for the latter which conforms to the period most interpreted within the museum, is considerably more affordable, and may provide better rain protection. The roof was last replaced in 2000 with casuarina shingles. The life span of a shingle roof is approximately 20 years.

Public exhibition was undertaken between 14 December 2022 to 31 January 2023, with four submissions were received. Three submissions specifically remarked upon the high quality of the draft Plan. All engaged with the two issues outlined above, and all supported an iron roof, and the reinstatement of a laundry structure at the rear.

The maintenance of Don Bank Museum is funded by the annual property assets maintenance budget. The replacement of the roof will cost between \$155,000 and \$230,000. \$61,000 has been earmarked for Don Bank Museum in the 2022/23 budget, with a further \$80,000 proposed in the draft 2023/24 budget. Grant funding will be sought for both the roof replacement and a laundry structure.

RECOMMENDATION:

- 1.THAT** the submissions summary be noted.
- 2.THAT** Council adopts the *Don Bank Museum Conservation Management Plan*.
- 3.THAT** Council seeks grant funding for the replacement of the roof and laundry structure.

The Motion was moved by Councillor Gibson and seconded by Councillor Welch.

The Motion was put and **Carried**.

Tenders were called and were received until 3pm 10 November 2022 for the submission of tenders to undertake the upgrade of lighting and electrical work at St Leonards Park.

Should Council wish to discuss this report it is noted that the attached confidential document includes commercial information that would, if disclosed, prejudice the commercial position of the person who supplied it. 10.9. Revised 2023 Meeting Schedule

AUTHOR: Ian Curry, Manager Council & Committee Services

To propose revised Ordinary Council meeting dates for April 2023 and June 2023.

At its meeting on 27 June 2022, Council adopted a meeting schedule for the balance of 2022 and all of 2023.

The adopted schedule allowed for one Council meeting in April on Monday, 24 April 2023 due to Easter. Due to changed circumstances it is now recommended that the April Ordinary Council Meeting date be revised to Wednesday, 26 April 2023.

Two meetings were scheduled in June, on Tuesday 13 June 2023 (due to Monday 12 June being a public holiday) and Monday 26 June 2023. The published date of the Australian Local Government Conference now means the June meeting dates are recommended to be Monday, 5 June 2023 and Monday, 26 June 2023.
