5. Items for Consideration

5.1. Traffic Treatment - Pedestrian Crossing and Parking - Denison Street, North Sydney

AUTHOR: Jerimia Tukadra, Public Projects Traffic Engineering Officer

As part of the finalisation works for Victoria Cross Metro Station, Sydney Metro are proposing to provide a pedestrian crossing across Denison Street at the pedestrian link from the station egress to the through site link from Denison Street to Little Spring Street. The pedestrian crossing is proposed to accommodate the increase in pedestrians travelling to and from the station.

- In April 2024, the new Victoria Cross Metro Station will open increasing pedestrian activity on Denison Street.
- Under the Interface Agreement between North Sydney Council and Sydney Metro, Sydney Metro has committed to upgrading a portion of the streetscape along Denison Street as part of the new Metro Station.

However, Sydney Metro has identified that these works will not be complete by the station opening date and as such has requested the consideration of a raised pedestrian crossing in the interim to ensure a safe opening of the new station.

- Given the associated land uses and the requirement to remove parking to provide sightlines in approach to the crossing, it is proposed to provide additional Loading Zone facilities during daytime hours to facilitate servicing of businesses in the area. Evening restrictions are proposed to be retained as two-hour parking.

The installation of the raised pedestrian crossing and associated streetlighting be borne by Sydney Metro.

Recommending:

1. THAT the Committee endorse the installation of the following changes in Denison Street, North Sydney:

- (a) A raised pedestrian crossing between the points 55 metres and 65 metres north of Little Spring Street in line with the egress from Victoria Cross Metro Station.
- (b) The reallocation of parking on the eastern side, between the points 10 metres and 35 metres (four car spaces) north of Spring Street, as "Loading Zone from 8:30am - 6pm Monday to Saturday" and "2P 6pm - 12am Monday to Friday"
- (c) The reallocation of parking on the eastern side, between the points 35 metres and 85 metres, (seven car spaces) north of Little Spring Street as "No Stopping".

The Motion was moved by Councillor Welch and seconded by Garvin Rutherford.

Voting was unanimous.
