Making life simple for our community

Hi Yulie,

Your NSY environment upgrade is complete

We are pleased to advise that your NSY (Production) environment has now been upgraded to 2024B.

The scheduled upgrade of any remaining additional environments to 2024B is also now complete.

We are continuously looking for ways to improve our upgrade processes at TechnologyOne and would love to hear from you. A short survey has been made available for you to provide feedback on your recent upgrade experience: [Feedback Survey](#).

If you have any other enquiries, please don't hesitate to reach out via the [Customer Community](#).

Kind regards,
The TechnologyOne Team

Transforming business, making life simple
