**ENVIRONMENTAL PLANNING AND ASSESSMENT ACT, 1979 AS AMENDED
NOTICE OF DETERMINATION – Approval**

Development Application Number: 122/19

Land to which this applies:

Units 14 & 18, 14-16 Woolcott Street, Waverton
Lot No.: 18, DP: 3022

Applicant:

Harrison Friedman & Associates Pty Ltd

Proposal:

A change of garage ownership on the strata plan from
Lots 14 and 18 to Lots 19 and 20 respectively.

**Determination of Development
Application:**

Subject to the provisions of Section 4.17 of the
Environmental Planning and Assessment Act 1979,
approval has been granted subject to conditions in the
notice of determination.

Date of Determination:

28 June 2019

Reason for approval:

In general, the subject strata subdivision is considered
acceptable against the relevant provisions within Section
4.15 of the Environmental Planning and Assessment Act
1979, North Sydney Local Environmental Plan 2013 and
North Sydney Development Control Plan 2013. As such,
the development application is recommended for approval
subject to appropriate conditions.

Consent to operate from:

10 July 2019

Consent will lapse on:

10 July 2024

Period of Consent

Subject to Section 4.20 of the Act, this consent becomes effective and operates from the date listed above. The consent lapses five years after the date of consent in accordance with Section 4.53 of the Act and cannot be extended. To activate this consent, works must physically commence onsite by 10 July 2024.

How community views were taken into account:

In accordance with Notifications Section of NSDCP 2013, given the minor nature of the proposed works, notification was not considered necessary. As such, no submissions were received at Council regarding the proposed strata subdivision.

Review of determination and right of appeal:

Within 6 months after the date of notification of the decision, a review of this determination can be requested under Division 8.2 of the Act or an appeal to the Land and Environment Court made pursuant to the provisions of Section 8.7 of the Act. A review of determination should be lodged as soon as possible, and preferably no later two months after the date of notification of the decision to enable the review to be completed within the six-month period.

Plans endorsed by the consent authority – please refer to condition A1.

A. Conditions that Identify Approved Plans

Development in Accordance with Plans/documentation

- A1. The development must be carried out in accordance with the following drawings and documentation and endorsed with Council's approval stamp, except where amended by the following conditions of this consent.

Title	Drawn by	Received
Plan of Subdivision of Lots 14 and 18 in SP 3022	Roger Stephen Boxall	13 May 2019

(Reason: To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information)

K. Prior to the Issue of any Strata Certificate

Registered Plans (Strata)

- K1. The applicant must submit to Council's documentary evidence that the Strata Plan has been registered and the lot(s) exists. The use of the premise must not commence until the documentary evidence has been submitted to and approved by Council.

(Reason: To ensure that the allotments of land are created prior to the commencement of the approved use)

Strata Subdivision

- K2. A Strata Certificate pursuant to the Strata Schemes (Freehold Development) Act 1973, that authorises registration of the strata plan, strata plan of subdivision or notice of conversion at NSW Land and Property Information Office must be obtained. If the Strata Certificate is obtained from an Accredited Certifier, other than the Council, the certifier is to provide Council with a copy of the endorsed Strata Certificate within 7 days of issuing the same, pursuant to the Strata Schemes (Freehold Development) Regulation 2002.

NOTES: For approval of the Strata Certificate by North Sydney Council, the following must be submitted to Council: -

- a) the original strata plans or strata plans of subdivision and administration sheets plus two (2) copies of each, and any original Instrument (including but not limited to any section 88B or 88E instruments) to be endorsed, all enclosed in a protective cardboard tube (to prevent damage during transfer);
- b) 2 additional copies of the strata plans or strata plans of subdivision and any relevant Instrument for submission to Council Customer Services and records department for electronic database scanning and copying;
- c) a completed Subdivision or Strata Certificate Application form together with payment of fee current at lodgement;
- d) written evidence that all applicable conditions of consent required to be satisfied, prior to issue of the Strata Certificate, have been satisfied. Council will check the consent conditions on the relevant consent(s). Failure to submit the required information will delay endorsement of the Strata Certificate, and may require payment of rechecking fees;

- e) plans of subdivision and copies must not be folded; and
- f) council will not accept bonds in lieu of completing subdivision works.

(Reason: To ensure compliance with relevant legislative requirements and maintenance of up to date Council records)

Sydney Water

- K3. A Section 73 Compliance Certificate under the Sydney Water Act 1994 must be obtained. .

The Section 73 Certificate must be submitted to the Certifying Authority or North Sydney Council with the documentation to enable the issue of the Strata Certificate.

Notes:

1. Application must be made through an authorised Water Servicing Co-ordinator, for details see the Sydney Water web site www.sydneywater.com.au or telephone 13 20 92.
2. Following application, a 'Notice of Requirements' will be forwarded detailing water and sewer extensions to be built and charges to be paid. Please make early contact with the Coordinator since building of water/sewer extensions can be time consuming and may impact on other services and building, driveway or landscape design.

(Reason: To ensure compliance with Sydney Water requirements)

Building and Unit Numbering (Strata Subdivisions)

- K4. Prior to issue of the Strata Certificate, the person acting upon this consent must apply to North Sydney Council and receive written confirmation of the allocated street address and unit numbers for the building and the approved strata allotments within the completed project. These are the property addresses that will be recorded in Council records and must be displayed at the property in accordance with the provisions of the applicable Australian Standard (AS/NZS 4819:2011).

To assist Council, a draft proposal for numbering within the strata scheme or street should be submitted for concurrence to Council, as these numbers will be used to maintain Council's property and mapping database.

(Reason: To ensure that Council records are accurate, and that building and unit numbering complies with the requirements of Council's Property Addressing Policy. Proper building and unit numbering also assists emergency services in readily locating properties)

Services within Lots

- K5. A report must be provided by a Registered Surveyor certifying that all services (including but not limited to stormwater drainage, gas, electricity, telephone cable) as constructed or to be constructed are/will be contained within each lot or within the necessary easements to accommodate such services. The report must be submitted to the Certifying Authority for approval prior to the issue of any Subdivision Certificate.

(Reason: To ensure adequate servicing of the development)
