DETAIL

Council's Code of Meeting Practices provides that

5.3 Where a Councillor is unable to attend one or more ordinary meetings of the Council, the Councillor should request that the Council grant them a leave of absence from those meetings. This clause does not prevent a Councillor from making an apology if they are unable to attend a meeting. However, the acceptance of such an apology does not constitute the granting of a leave of absence for the purposes of this Code and the Act.

5.4 A Councillor's request for leave of absence from Council meetings should, if practicable, identify (by date) the meetings from which the Councillor intends to be absent and the grounds upon which the leave of absence is being sought.

5.5 The Council must act reasonably when considering whether to grant a Councillor's request for a leave of absence.
