

**Report to General Manager**Attachments:
Nil**SUBJECT:** Supply of Two Six-metre Cubic Garbage Compactors – Tender No. 15/2020**AUTHOR:** Rob Barter, Fleet Manager**ENDORSED BY:** Duncan Mitchell, Director Engineering and Property Services**EXECUTIVE SUMMARY:**

Tenders were called and were received until 4pm on 6 November 2019 via Tenderlink for the submission of tenders to undertake the Supply of Two Six-metre Cubic Garbage Compactors.

In order for Councillors to discuss the content of this Commercial in Confidence report it will be necessary to close the Council meeting to the public.

FINANCIAL IMPLICATIONS:

This purchase will be funded from the Plant Reserve, as part of the plant replacement schedule for 2019/2020 financial year.

Comment by Responsible Accounting Officer:

Funding for the project is appropriate.

RECOMMENDATION:

- 1. THAT** Council accept the tender of the highest ranked Tenderer for Tender No. 15/2020 for Supply of Two Six-metre Cubic Garbage Compactors.
- 2. THAT** the General Manager be authorised to take any necessary action to implement the decision including entering associated contracts.
- 3. THAT**, once Council has executed the Contract, information relating to the successful tender be published in Council's Register of Contracts as required by *Government Information (Public Access) Act 2009 - Part 3 Division 5 - Government Contracts With Private Sector*.

LINK TO COMMUNITY STRATEGIC PLAN

The relationship with the Community Strategic Plan is as follows:

Direction: 2. Our Built Environment

Outcome: 2.1 Infrastructure, assets and facilities that meet community needs

BACKGROUND

This tender is for the purchase Two Six metre Cubic Garbage Compactors, to replace Council's Two existing Garbage Compactors that were purchased in 2013.

The Garbage Compactors are used primarily to collect rubbish from bins located in Council Parks, Reserves and Public Areas.

The Garbage Compactors collect and dump over 3500 cubic metres of rubbish to an approved waste disposal center per year.

This Tender is for supply of Two Six metre Cubic Garbage Compactors. The successful tenderer will be required to build the units onto a truck cab-chassis purchased by Council under State Government Contract. The two cab-chassis to be purchased are Hino 300 Series 916 Hybrid which offers a hybrid diesel-electric engine, similar in nature to a Toyota Prius, thus helping to save fuel and emissions.

SUSTAINABILITY STATEMENT

The sustainability implications are of a minor nature and did not warrant a detailed assessment.

TENDERS RECEIVED

The methodology adopted to undertake the tender evaluation of Tender 15/2020 was based on selection criteria outlined in the tender documents and in accordance with the Local Government Act 1993 and the Local Government (General) Regulation 2005.

Tenders were called and closed at 4pm on 6 November 2019. Five (5) tenders were received by the appointed time. Listed in **strict alphabetical order**, the tenderers were:

Tenderer
Bucher Municipal
Garwood International Pty Ltd
HSR Southern Cross Pty Ltd
Manco Environmental Limited
Superiorpak Pty Ltd

Information provided by tenderers which is commercial-in-confidence has been protected and will not be disclosed in accordance with section 10A(2)(d) of the *Local Government Act 1993*. A consistent standard for all tenderers has been used in assessing any request for confidentiality by a tenderer.

Application for access to documentation should be through lodgement of a GIPA Public Information application form and payment of prescribed fees.

Project Program

Anticipated Start: December 2019
Anticipated Completion: March 2020
Responsible Officer: Rob Barter, Fleet Manager
