## LINK TO COMMUNITY STRATEGIC PLAN

The relationship with the Community Strategic Plan is as follows:

1. Our Living Environment
  - 1.3 Quality urban greenspaces
  - 1.4 Public open space and recreation facilities and services meet community needs

## BACKGROUND

Council adopted the low intervention St Leonards Park, Landscape Masterplan in February 2018 after extensive community and stakeholder consultation. Upgrades identified in the Masterplan are being delivered in stages. Stage 1- Miller Street Forecourt is currently under construction. Other works have included upgrades to the practice cricket wickets adjacent to the Parks Depot as well as the new shared pedestrian and bicycle path along Ridge Street.

The current project is for the relocation of the Field Gun to a new granite plinth to be constructed at the northern end of Tunks Way, together with substantial upgrading of Tunks Way itself. The project will result in the widening and resurfacing of this central pathway, removal of existing light poles from the centre of the path and installation of new lighting along the side of the path. New gardens and seating will also be introduced.

## DETAIL
