

10.2. Tender 25/21 - Stormwater Drainage Relining Works

AUTHOR: Jim Moore, Engineering Project Manager

ENDORSED BY: Duncan Mitchell, Director Engineering and Property Services

ATTACHMENTS: Nil

PURPOSE:

This report is to provide Council with an analysis and recommendation of the tender process for Tender 25/2021 for *Stormwater Drainage Relining works*.

EXECUTIVE SUMMARY:

Tenders were called and were received until 3pm 1 September 2021 for the submission of tenders to undertake *Stormwater Drainage Relining works*.

If the Council wishes to discuss the report, the meeting should be closed to the public to do so in accordance with s10A(2) (d) commercial information of a confidential nature that would, if disclosed;

- (i) prejudice the commercial position of the person who supplied it

FINANCIAL IMPLICATIONS:

Funding for the project was included in the 2021/22 budget for construction works. Refer to the funding description section of this report.

Note: This project is partially funded through the Special Rate Variation (SRV) for 2021/22.

RECOMMENDATION:

- 1. THAT** Council accept the tender of the highest ranked Tenderer for Tender 25/2021 for *Stormwater Drainage Relining works*.
- 2. THAT** the General Manager be authorised to take any necessary action to implement the decision including entering associated contracts.
- 3. THAT**, once Council has executed the Contract, information relating to the successful tender be published in Council's Register of Contracts as required by Government Information (Public Access) Act 2009 - Part 3 Division 5 - Government Contracts With Private Sector.
- 4. THAT** the confidential report be treated as confidential and remain confidential until Council determines otherwise.

LINK TO COMMUNITY STRATEGIC PLAN

The relationship with the Community Strategic Plan is as follows:

2. Our Built Infrastructure 2.1 Infrastructure and assets meet community needs

BACKGROUND

As part of Council's Capital Works drainage program, 18 sites were identified for internal relining rehabilitation works. There are eight Provisional Sites that were also identified for rehabilitation.

These comprise the following sites;

TENDERS RECEIVED

The methodology adopted to undertake the tender evaluation of Tender 25/2021 was based on selection criteria outlined in the tender documents and in accordance with the Local Government Act 1993 and the Local Government (General) Regulation 2005.

Open tenders were called and were received until 3pm 1 September 2021 via Tenderlink. At close of tenders, five tenders were received. Listed in **strict alphabetical order**, the tenderers were:

Tenderer
Downer Pipetech
Insituform Pacific
Interflow
Pipeline Watertech
Rangedale

Information provided by tenderers which is commercial-in-confidence has been protected and will not be disclosed in accordance with section 10A(2)(d) of the *Local Government Act 1993*. A consistent standard for all tenderers has been used in assessing any request for confidentiality by a tenderer.

Application for access to documentation should be through lodgement of a GIPA Public Information application form and payment of prescribed fees.

Project Program
